# The GOAL IS.....

One goal of the Omega Gents Beautillion Program is to facilitate the personal growth of the young men chosen to participate in the program. Our goal is to focus on developing young leaders who understand how to interact in any social situation, with people of all ages. Through participation in life skills workshops, etiquette and self-esteem courses, educational awareness and community building activities, our program participants will develop into young men who are prepared to meet the challenge of today's society. This is a priceless asset, and the experiences, counsel, values and standards that are part of a young man's participation in the Beautillion Program fosters an awareness and proficiency that will be of value for a lifetime

# It's a Bay Area Program!

The Omega Gent Beautillion Program through the Omega Gents Mentoring Program recognizes notable young men in the San Francisco/Oakland Bay Area who have demonstrated superior academic excellence, exemplary moral standards and are actively engaged in their local communities.

# Seniors and Juniors

This comprehensive program is designed for young men who will be seniors and/or juniors in high school during the 2016-2017 school year. At the conclusion of the Beautillion program year, the accomplishments of these young men will be celebrated in a spectacular way at an elegant Beautillion Ball scheduled for June 24, 2017 at the elegant Hilton Garden Inn in Emeryville overlooking the whole Bay Area.

# The 2017 Omega Gents Beautillion Program

*Those chosen for our program are exceptional young men, successful in their endeavors, a role model to peers and future leaders of their communities!*

# What Happens to Me as a Candidate?

Through a series of workshops, cultural events and rehearsals, participants will learn etiquette and social grace skills, educational development resources, college preparedness skills and community service involvement, which are geared to enhance their personal growth as they transition into adulthood.

**June 24, 2017**  
**The Purple & Gold Ball & Beautillion**  
**HILTON GARDEN INN**

# I Am A Beautillion Candidate!!!

Being a participant in a Beautillion Program is a great honor and those chosen for our program will be successful in their endeavors, serve as role models to their peers and become future leaders in their communities.

# Program Obligations

All selected members of The Beautillion Program are required to participate in the scheduled workshops, service projects, rehearsals and Beautillion Ball (TBD).

Activities will begin immediately and culminate with the Beautillion Ball in June 2017. Workshops are held monthly on Saturday afternoons (November through June) and Beautillion Ball practices are on Sunday afternoons beginning in February.

Pay all necessary by the appropriate due date.

# NETWORKING

Those who will participate in the Omega Gents Beautillion Program will remember this experience as an invaluable asset to collegiate and professional life. Knowing how to engage others in meaningful conversation, understanding the strength of a handwritten note, or simply what to wear to a college or job interview are assets.

Additionally, becoming part of the network of young men who have embraced this legacy of tradition, honor and personal growth afforded by the Omega Gents Beautillion Program will be a priceless benefit in helping our participants establish a foundation for their personal legacies of tomorrow.

# MENTORING

Participants in the Omega Gents Beautillion Program will have access to members of our organization who are very accomplished in the fields of medicine, law, business, science and research, community activism, mental and physical health and many other professional endeavors.

One of the most empowering relationships is within a mentoring arrangement. It is an extremely effective way for young beaux to develop new skills, navigate diverse situations and understand how to deal with people and problems.

Successful mentoring relationships are reciprocal where both parties are open and willing to learn and grow together, successfully. The members of the Sigma Iota and Alpha Rho chapters are committed to mentoring the youth in our community and participants of this program will join our sphere of influence.

Each Beautillion Candidate will be assigned a personal coach to guide through the process.

# BONDING EXPERIENCE

Time spent with family and friends during the Omega Gents Beautillion program will be a priceless memory. The design of the program ensures that the relationships that are developed continue to grow and the ones that are existing are cherished.
